# Dedication

With our greatest sincerity and love, we, the Senior Class of 1950-51, dedicate this, the third volume of the "Treasured Memories" to the Junior Sponsor, Mrs. Carl K. Parrish, for her devotion, loyalty, encouragement, and tolerance during the past years of our school life here at Wilson's Mills School. We shall always remember her and cherish her ideals in our thoughts.

MRS. CARL K. PARRISH

# Principal's Message

Education is mental, moral, social, and physical growth. If you fail to become a well-rounded individual with a fully developed personality, it is largely because you do not take advantage of the opportunities offered for growth while you are in school.

Don't be a partial success! Don't be satisfied with yourself as you are! There is always room for improvement, and there is always an opportunity open for those who seek it and are prepared to fill it. Never be satisfied with less than your best, and remember there is always wide open territory at the top of the ladder of success.

My hope is that you may reach the top of that ladder. May you adopt the following motto as you strive to make the most of your life: "Give to the world the best that you have, and the best will come to you."

## "TO BE PREPARED MEANS SUCCESS "

Jobs in this world are not as plentiful as they used to be. A person has to prepare himself to meet the world and its requirements of life. One has to study hard and to get the most out of his studies. A well prepared person is usually the one who works hard and does his very best to learn the things that will help him to become successful in the career which he has chosen.

So take advantage of the opportunities that you have.

Anthony Baker  
Editor-in-Chief

# HISTORY OF THE CLASS OF 1951

Historians are made, not born. At least, I was not born a historian. I leave it with you to decide whether my class has made me one.

My purpose in this record is to set forth a few of the achievements of the group.

In 1939 we were 67 strong. Our first teachers, Miss Arnette Bryan and Miss Margaret Stephenson were excellent.

Lovable Miss Page taught us in the second grade. Some members of the class still have their toy orchestra suits and drums.

In the third grade we had one of our outstanding teachers, Mrs. S. R. Cotton. Some of the poems she taught us we shall never forget.

We felt grown up as we entered the fourth grade under the thorough instruction of Miss Dorothy Poston. Helen Lee joined us that year.

The fifth grade was eventful with a brand new teacher, Miss Margaret Holt. Her personality charmed us. George was a new addition to our class that year.

Mrs. Dorothy Carruth guided us safely and efficiently through the sixth, and the seventh grades. We made room for Earl and Nathan that year.

In the eighth grade under Mrs. Carl K. Parrish we worked diligently to prepare for our high school career.

To say we were to enter high school in 1947 was good news. What a change! Three teachers, fewer subjects, more interesting subject matter. Miss Ola Hinson, Miss Norma Wellons and Mr. S. R. Cotton were our Instructors. Drill work in English, reference work in Civics, x y z in Algebra---What a conglomeration! Athletics was our real joy. This year Bronnie joined us; Runt and Graham dropped back and had classes with us.

Wise sophomores we became in 1948-49. Our likeable lady teachers resigned. Mr. and Mrs. James Uzzle filled those vacancies. That year passed with hard work, too. Basketball and baseball were our sports.

The Junior year was a most happy one. We began to really do things in extra-curricular work. Making money! Halloween, Junior Class Play, and sales on stationery and magazines. We shall never forget our trip to Washington City--- the rough boys and the night owl girls. Mrs. Carl K. Parrish became the fifth teacher in high school that year.

Our Senior year has been glorious under our beloved sponsor, Mrs. James Uzzle. We have burned the mid-night oil, and have gone through many trials and tribulations to produce our annual, "Treasured Memories", but not one regret do we have.

Our graduation Practices, our plans for commencement, walking through the daisy chain, accepting our diplomas from our excellent principal Mr. S.R. Cotton, have made us realize that we have achieved a goal that we want to accept as a challenge to go forward to do our bit in the very best way we can to make the world better because we have lived in it.

Helen Lee,  
Historian

# CLASS PROPHECY

It is the year 1961. A decade has gone by since Mr. S.R. Cotton, principal of the Wilson's Mills School, called out CARL PARRISH, JR., and upon handing me that diploma gave me a hearty handshake and said, "Congratulations"! I replied, "Thank you," with emphasis because that important paper was something I had always declared I would obtain.

What caused me to glance at the calendar when I did on May 22, 1961, I was making out a bill in my office of "Parrish's Mechanics- makers of the Jet-mobile--Fastest thing on wheels." A horn sounded at the front. I bounced out the door and saw a grey Cat convertible just loaded down with women. I recognized the driver Mrs. ANNE GULETT, Mrs. Tom Underwood, the former NELDA JONES; Mrs. Bob Pryse, the former MARIE JOHNSON, and Mrs. LeIand Boykin, the former JEAN STEVENS. The first three were on their way to California to meet their husbands who were returning from occupied zones in China. Jean and her twin boys were going along for the trip.

I serviced the car with Super-Duper gas. I gave each of the twins Loly-pops to keep them quiet while I talked with these friends about our classmates. You see out here in Detroit I seldom hear about them.

RUNT PARRISH, I learned is owner of an athletic supply house in Richmond. His slogan is, "Use my goods and win."

BETTY LANCASTER, that ideal girl, refused matrimony. She chose the life of a nurse in the Red Cross.

NATHAN HOLLAND is another Burbank. On a farm of his own he has learned to produce an onion that when peeled never makes one shed tears.

HELEN LEE, that stately lady, is now First Lady of North Carolina.

Miss LORENE WOOD, professor of French at Meredith College, stays with Helen when the Governor attends to business in the Capitol in Washington, D.C.

EARL BRADLEY is now the sheriff of Johnston County. He is doing a wonderful job against the bootleggers.

BRONNIE LANGSTON is a career girl in Washington, D.C. She really likes it above the Mason-Dixon Line.

NORWOOD WILLIAMS owns a factory that makes basketball supplies. GRAHAM COLE is Norwood's top ranking salesman. He is still popular with all the girls.

ANTHONY BAKER, a druggist, has invented a classroom spray that keeps students from sleeping on class. It is a fast seller. Teachers buy it by the carton.

My good friend, GEORGE HODGES, is playing baseball for the Raleigh Capitals in Class B ball. He is married and has three kids. All of them boys.

ALTON WOOD owns the freezer locker plant in the City of Powhatan. His specialty is "Wood's Guaranteed Hams."

After thanking them for bringing me so much good news of all my friends, they said they must be on their way.

CARL PARRISH, JR.  
PROPHET

# LAST WILL AND TESTAMENT

We, the seniors, leave to Mr. Cotton our heartfelt appreciation for all the patience and understanding shown us during the past twelve years.

To Mrs. Uzzle, we leave thanks for her part in making our road to success clearer.

To Mrs. Parrish, we leave deep gratitude for helping to make our Washington trip possible.

To Mr. Uzzle, we leave memories of congruent triangles, short cuts in multiplication, and our sincerest thanks for his never failing stand in fair dealing.

To Mr. Clark, we leave the hardships of teaching a group of prejudiced younguns the credentials of typing, and a big thank you for help making our Senior year most memorable.

To the Junior Class, we leave our hopes that as seniors, you will edit the fourth edition of "Treasured Memories."

To all Sophomores, we leave our knowledge of Geometry, so that you might not find it difficult.

To all Freshmen, we leave our congratulations for having pulled through that first year in high school with "flying colors", and feelings of envy for having three more years of school life.

To the student body, we leave our highest esteem for making the circulation of our 1951 annual rank tops.

Betty Lou Lancaster leaves her beautiful and frequent smiles to Jack Olive.

Alton Wood leaves his agricultural mind to Jackie Jones and Lena Grey Price.

Anthony Baker leaves his baby face to Linwood Barnes.

Jean Stevens leaves her long curls, to Bobby Gupton and Janie Boykin.

Earl Bradley leaves his one sided grin to Barbara Lassiter.

Nathan Holland leaves his manly physique to Melvin Garner.

Nelda Jones leaves her fancy walk to Virginia Pounds and Percy Lynch.

Ann Gullet leaves her witty intelligence to Duke Lee.

George Hodges leaves his Charles Atlas muscles to Jackie Stephenson.

Lorene Wood leaves her pretty blue eyes to Carl McCabe.

Bronnie Langston leaves her knowledge of French to Nelson Blinson.

Carl Parrish leaves his pleasing personality to Frances Williams.

Wm. Benton Parrish leaves his big mouth and last penny to Betty Gwen Johnson, for the sole purpose of bubble gum.

Helen Lee leaves her many boy friends to Pat Langdon.

Norwood Williams leaves his athletic ability to Janice Wood.

Graham Cole leaves his good looks to Rochelle Barnes.

Marie Johnson leaves her alertness to Jeanette Bradley.

## SENIOR STATISTICS

### FAREWELL HIGH SCHOOL LIFE

This evening now aglow, the Seniors are leaving,  
This evening now aglow, the Seniors are grieving,  
A crimson sun goes down, the lights begin to glow.  
Across the school hall this evening all aglow.

Chorus:

We've lived our high school life,  
It only tells us we are parting.  
The same fine kind of life.  
Our school has made for us.  
We've lived our high school life.  
How can we help if tears are falling?  
Good-bye to tender years--  
Within our dear school walls.  
We long to keep you near  
And love you on and on,  
But now it's time to go  
And live our life elsewhere.  
Now here's our farewell song  
As all the while our hearts are whispering--  
No other kind of life  
Can steal our love for you.

Lorene Wood,  
Class Song

### OUR SENIOR YEAR

Now our Senior year is here,  
And the time to part is near,  
When from this school we shall leave,  
Memories sweet will ever cleave.

See our colors Purple and Gold,  
By Purple's courage we reach our goal.  
Gold's for the sunset that will not stay,  
For it will all soon fade away.

The Sweet Pea we all do love,  
For to us it's from above.  
It will bloom for us through life,  
Thus helping us win in strife.

Farewell, now, we say to all,  
Our best wishes on you fall.  
As we leave old Wilson's Mills High,  
In each heart there is a deep sigh.

# IN CONCLUSION

As assistant Editor, I wish to express my thanks and appreciation to those who have so willingly participated in making this, our third annual, a success. In this, I especially want to recognize the members of the Senior Class and our Senior Class Sponsor, Mrs. J. T. Uzzle.

As each member of the Senior Class completed and handed in his assigned part of the copy work of our annual, he realized more than ever before the need of accuracy and punctuality. So, we feel that the production of our yearbook has proven to be well worth the time and effort that we have put into it, besides the pleasure of many TREASURED MEMORIES.

Are You The Student Who Is  
GOING PLACES?

Whether it's home for a week-  
end, a holiday or at the end of  
the year, you can always travel  
comfortably, quickly, and econ-  
omically by Greyhound. Fre-  
quent schedules fit your needs.  
Low fare (with extra reductions  
for round-trip) fit your allow-  
ance. Ask your local agent for  
full information.

## BASKETBALL IN ACTION

# *Students Everywhere*

Hundreds of thousands of students throughout the nation will treasure their *Taylor-made* Yearbooks for many years to come.

Thousands of teachers and school administrators welcome their *Taylor-made* Annuals as a necessary part of their Parent and Public relations program.

We are proud to have had a part in preserving the memories, traditions and achievements of the schools of America.
